

## STINSON/BOLINAS COMMUNITY FUND ARTS GRANTS

The Stinson/Bolinas Community Fund is pleased to announce a new opportunity in addition to our regular semi-annual grants program.

This new program, named "Arts Grants," supports artists wanting to create an arts performance or exhibit in Stinson Beach and/or Bolinas. We are looking to fund projects that enrich the community and use art to bring the community together. The presentation can be for any age group(s) and can take place at any location accessible to the community. No admission fee may be charged.

Applications for this award may come from artists who live elsewhere but the funded project must specifically be performed or exhibited in the Stinson/Bolinas communities.

Two grants of up to \$1,000.00 each will be awarded in June and December. Artists applying for these Arts Grants may also apply for one of the S/BCF's regular semi-annual grants, although *not* for the same project.
